COR-1193

Copy 2 of 3

22 June 1961

MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Amendment No. 1 to [REDACTED] 25X1A
25X1A [REDACTED] Project CORONA

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 5.

25X1A

2. Contract [REDACTED] covers the procurement of engineering and consultant services from [REDACTED]. These services are to be used primarily in connection with the Project CORONA Programs. Amendment No. 1 has been drawn to remove excess FY-1961 funds from the contract.

1128-1967-5400

3. Amendment No. 1 liquidates \$7,911.98 of FY-1961 CORONA funds from the contract, leaving a total of \$2,088.02 obligated thereunder. By concurrence to this memorandum the Comptroller signifies that funds have been adjusted as provided above.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, (formerly 10(b) - see 85-507 dtd 7/7/58) for each contract.

5. Concurrence in Amendment No. 1 to Contract [REDACTED] is recommended.
